Business Litigation, Complex Commercial Litigation, Products Liability Litigation, Toxic Tort Litigation, Environmental Litigation, Employment Litigation, Intellectual Property

Mr. Quattlebaum is a founding member of Quattlebaum, Grooms & Tull PLLC in Little Rock. His primary areas of practice are complex business, toxic tort, and products liability litigation. Mr. Quattlebaum has served as lead trial counsel in over 100 trials, including numerous toxic tort, products liability, breach of contract, intellectual property, environmental litigation, securities fraud, franchise disputes, trade secrets, personal injury, and commercial matters. Some of Mr. Quattlebaum's corporate clients include chemical, pharmaceutical, and automobile manufacturers, wood treatment companies, investment banking institutions, energy companies, major retailers, and medical device companies.

Mr. Quattlebaum currently serves as National President of the American Board of Trial Advocates, is a Fellow of the International Academy of Trial Lawyers and the American College of Trial Lawyers and was inducted into the Lawdragon 500 Hall of Fame in 2021 after being selected for the Lawdragon 500 Leading Lawyers in America eight times. He has been named one of the leading business litigation lawyers in Arkansas by *Chambers USA's Guide to America's Leading Lawyers for Business* since 2003 and *Super Lawyers* since 2006. Mr. Quattlebaum has been listed in *The Best Lawyers in America®* since 2001 and is currently recognized in the areas of Bet-the-Company Litigation, Commercial Litigation, Insurance Law, Litigation – Health Care, Mass Tort Litigation/Class Actions – Defendants, Personal Injury Litigation – Defendants, Product Liability Litigation – Defendants, and was named Best Lawyers' Little Rock Mass Tort Litigation/Class Actions – Defendants Lawyer of the Year in (2014 and 2021), Little Rock Personal Injury – Defendants Lawyer of the Year (2015), and Little Rock Bet-the-Company Litigation Lawyer of the Year (2013, 2016, and 2019). He was selected for the inaugural Lawdragon 500 Leading Litigators in America guide in 2022. He is also recognized as a Local Litigation Star for Arkansas in *Benchmark Litigation*, named one of the Top 50 Super Lawyers in Arkansas by *Super Lawyers*, and listed by *Who's Who Legal* in the areas of Environmental, Commercial Litigation, and Products Liability Defense. He is rated AV Preeminent® by Martindale-Hubbell.

Some of the cases in which Mr. Quattlebaum has been involved in recent years include:

Mass Tort and Multi-district Litigation

Lead MDL trial counsel and lead counsel in various state court actions throughout the country in defense of cases alleging brain damage from welding products.

Lead MDL trial counsel in defense of cases alleging personal injury from artificial hip joints.

Lead trial counsel in numerous states in defense of cases alleging mesothelioma and ovarian cancer associated with the use of cosmetic talc.

Toxic Tort and Environmental Litigation

Lead trial counsel in defense of a poultry manufacturer against claims that an additive to poultry feed contained arsenic which caused childhood leukemia.

Lead trial counsel in defense of a wood treatment facility against claims brought by several hundred nearby residents claiming damages for personal injuries, property damage, groundwater contamination, and real estate stigma.

Trial counsel in defense of a major manufacturer in a personal injury and property damage action brought by 374 residents living near an aluminum recycling plant, who claimed damages for personal injury, medical monitoring, and property damage.

The defense of a fertilizer repackaging company in individual, mass tort, and class actions brought by residents of a community claiming damages from exposure to smoke and chemicals generated by an explosion at the fertilizer repackaging facility.

Lead trial and appellate counsel in defense of Uniroyal Chemical Ltd. in the Superfund litigation brought by the United States to recover the costs resulting from remediation of the Vertac Chemical Company site. This litigation has been ongoing since 1980 and has involved several trials and appeals.

Business Litigation

The representation of individuals and corporations in a wide variety of business litigation matters, including cases involving allegations of fraud, breach of contract, deceptive trade practices, franchise act violations, and intentional torts, such as malicious prosecution and abuse of process.

The defense of numerous cases in which class action status has been sought in consumer actions, mass tort actions, business claims, and securities litigation.

Products Liability

Lead trial counsel in defense of claims of asbestos exposure from various consumer and industrial products.

Lead trial counsel in defense of manufacturers of welding consumables in numerous actions involving claims of neurological injury from exposure to welding fumes.

The defense of a major herbicide manufacturer in an action involving claims of personal injury and crop damage resulting from allegedly excessive drift propensity of a herbicide.

The defense of automobile manufacturers in actions involving claims of defective airbags and seatbelts and other matters.

The defense of pharmaceutical and medical device manufacturers, distributors, and retailers in actions involving the efficacy of certain drugs, such as hormone replacement therapy drugs, pain medication, herbal supplements, asthma therapy drugs, and diet drugs, and devices such as back screws, breast implants, latex gloves, and artificial joints.

The defense of numerous consumer and industrial equipment manufacturers and suppliers in cases involving traumatic injuries.

Intellectual Property

The defense of a national cellular service provider in a patent infringement claim regarding cellular transmission technology.

The defense of an international manufacturer of electronics in a patent infringement claim regarding video technology.

The defense of a manufacturer of cutting and shaving devices in a patent infringement claim regarding edge development technology.

Other

The representation of individuals who have sustained personal injury or business damages, with several verdicts and settlements exceeding \$1 million.

Trial counsel for an individual and his business in an action against an international insurance company resulting in a verdict for fraud and breach of contract in excess of \$33 million.

The representation, with Mr. Tull of the firm, of an individual and his business in a lender liability action resulting in a verdict in excess of \$10 million.

Lead trial counsel for a family in a breach of fiduciary duty, breach of contract, and fraud action resulting in a verdict of \$1,344,000.

Education

University of Arkansas School of Law (J.D., 1983)

Western State College of Colorado (B.A., 1981)
